

Directions:

Travel along the N7 from Cape Town towards Springbok, and on to the Vioolsdrift (South African) and Noordoewer (Namibian) borders.

Stamp **out** of South Africa and **into** Namibia and **return** to South Africa **WITHOUT** being stamped out of Namibia and back into South Africa again, **(the last stamp in your passport should be the entry stamp into Namibia!)**. On forms that are filled out at the border, state that your address in Namibia is the Orange River. **DO NOT** pay the road tax, as you are not using the roads but return straight to South Africa.

Once you have returned to the South African side, **turn right** onto the dirt road towards **Kotzeshoop**. **Drive slowly, the road is bad!!!**

+/-13 km down the road, on the right there **are four big palm trees** and a sign saying **Oewerbos River Camp**. Follow the road down to the camp on the right and report to reception.
